ECO PLUS K 70 LAG C1 4N

GAMME DE PRODUITS: GRAM ECO PLUS 70
NUMÉRO D'ARTICLE: 960700064

The ECO PLUS K 70 ranks in energy class A. The Ecodesign test method records the 24 hour energy consumption and multiplies it by 365 to get the annual energy consumption (AEC). The 24 hour consumption is calculated from 2 test periods of 12 hours each. The first period has sequences of door openings while the second is a stabilization period with closed door. ECO PLUS 70 combines stylish design with high functionality and low energy consumption. • The controls are concealed behind the top panel, protected against splashing water. • Design principle of "no broken surfaces" makes the cabinets easy to clean. • The distinctive aluminum profiles stretching from top to bottom on both sides of the cabinet impart strength and enhance appearance. • The modular rails can go directly in the dishwasher. • Pedal opener with finesse.

ECO PLUS is suitable for the deep 2/1 GN system where 2 pcs. 1/1 GN pans can be placed after each other directly on the support rails.

EXTÉRIEUR
Blanc

INTÉRIEUR
Inox, aluminium

Type de réfrigérant: R600a / Réfrigérant: 0,07 kg / Equivalent en CO2: 0,2 kg

Classe d'efficacité énergétique

A
