### Kühlisch, 4 Sektionen

PRODUKTSERIE: SNOWFLAKE SCR  
ARTIKELNUMMER: 879040820

Snowflake GII Kühltechnik ist für die Leistung in anspruchsvollen Umgebungen entwickelt und gibt Ihnen Sicherheit. Mit intelligentem Innen- und Außendesign bieten Ihnen unsere Kühlschränke und Kühltische die richtige Kühlung für Ihre Produkte.

As a product that is designed and built to last, this refrigerated counter combines an innovative design concept, premium materials and clever extras:

- Minimum cool air lost: double insulated and extra wide door gaskets help to keep the cold air into the cabinet
- Both interior and exterior are built of stainless steel AISI 304, which is among the best choices for hygienic and food safe cooking environments
- Anti-tilt mechanism: extra-long drawers with u-shaped, telescopic rails
- Multiple door-drawer combinations possible
- Removable gaskets make sure you can clean the device thoroughly
- This and other thoughtful extras, such as the cleaning-free condenser, are designed to reduce kitchen cleaning times whilst storing foods protectively in the best possible way

The refrigerant used in all Snowflake GII HC models is R290. This agent is a natural gas which enhances the performance of the refrigerated counter and has, compared to other refrigerants, a minimal ozone depletion potential.
