

HNC-180BE-L-BLH

Sushi display case with LED lighting, left-sided

PRODUCT SERIES: HNC, SUSHI CASES
NUMER ARTYKUŁU: S055-C174

This sushi case is made for the delicate way that sushi and its fresh ingredients are supposed to be handled. The eye-catching rounded glass window makes it an attractive display of the fresh ingredients that are used. The cooling system gives it the qualitative support that sushi requires, protecting the integrity but it is not intended to be used as a cooling storage cabinet. Food plates can be turned upside down and used to improve cooling performance. This model is also available in different sizes, in black and stainless steel with either left or right-handed side openings. With anti-scattering film for glass splinter protection.

Rodzaj czynnika chłodniczego: R600a / Czynnik chłodniczy: 0,046 kg
